**President's Report for Board Meeting. 3/20/16**

Distributed by email on March 16, 2016

Greetings COAA Board and Major Committee Chairs,

First I am grateful to have been re-elected and again want to thank all who voted for me. As was my goal previously, I am committed to represent every member and am looking forward to working with Secretary Venable and Directors Buckler and Harris and the returning Officers and Directors.

My COAA activities for the year 2015 may be summarized as follows:

>My major contribution last year was the same as my previous three years, that of frequent and effective communication with five volunteers without whom COAA would not function as it does, they are: Gary Stevenson, Member Chair; Gordie Davidson, Webmaster; Sue Hendricks, Rally Coordinator. Additionally, I am in frequent contact with Ted Guillaum, Rally Web Site Administrator and Jim Partrick, Insurance Coordinator.

>My previous volunteer duties as Journal Assistant Editor and Advertising Recruiter kept me busy throughout the year. Because I have resigned both posts I will be working this year on developing goals and recruiting committee members for my new duties involving Fund raising, Social Media and Scholarships.

>The Agenda for our upcoming Board meeting was compiled by me from each Board member's input and formatted by Secretary Venable as prescribed in our By-laws. This will be a very active year for the Board, beginning with this meeting.

## **COAA Secretary's Report**

**13 March 2016**

### **Review of Ohio NONPROFIT CORPORATION LAW**

COAA operates under the provisions of Ohio Revised Code » Title [17] XVII CORPORATIONS - PARTNERSHIPS - Chapter 1702: NONPROFIT CORPORATION LAW

On 15 February 2016 I reviewed changes to the code made since 1 January 2014 and found nothing which affects COAA in the near future.

### **COAA Records Transfer**

On Sunday, 28 February 2016, I received the corporate records collection from Mary Jo Bopp while at the COAA Winter Meeting in St. Cloud, Florida. We believe all records have been transferred, so there will probably be no cost to COAA for the transfer itself. The collection consists of two plastic file boxes plus a few tapes, CDs, and a thumb drive.

### **Digitizing COAA Records**

While a Director I began keeping a digital collection of the Board's action and other COAA history. I have begun reviewing our corporate records to identify documents which need to be added to my collection.

### **COAA Operations Manual**

I have begun preparing a COAA Operations Manual. This is not a plan to create new regulations, but to create a unified reference containing our Charter, By-laws, and Board actions which constitute governance policies. It will include appendices such as Minutes and financial reports. It will also include informal guidance documents prepared by individual members with experience in roles such as rally host, or committee member.

It will probably evolve into two versions, an extended version for Officers and a condensed version which will be available to all members.

Wallace Venable

COAA Secretary

## COAA 2016 Election Results

- Ballots remained in sealed envelopes until the time of the vote tabulation.
- As Ballots were unsealed they were validated by Brandon Prell reading the member information with Bill Nunn and Marc Dannecker present, The ballots were verified against the membership list provided by Gary Stevenson which had been crosschecked by Marc Dannecker to verify that all listed as eligible to vote were in fact current members in good standing.
- Votes were then counted in a separate step with Brandon Prell reading the vote information and Marc Dannecker and Bill Nunn / Brandon Prell tallying the votes with those counts then verified against each other.
- Five ballots were disqualified. Two were from non-paid “comp” memberships and thus are not considered a member (Article III Section2). Three ballots contained no member information and therefore could not be verified as valid. The inclusion of some or all of the disqualified votes would not have impacted the outcome of the election.
- Votes were then tabulated by Brandon Prell under the observation of Bill Nunn and Marc Dannecker.

### Total Valid Ballots Cast: 192

Numerous ballots did not include votes for all offices thus the total number of votes for any given office will not equal the 192.

#### President:

Angelo Rulli                      Elected

#### Secretary:

Wallace Venable                Elected

#### Director :

Bob Buckler                      Elected

Sam Harris                        Elected

Note: Vote totals were provided to members of the 2014-16 Board and to all candidates. The Board has not made a decision as to whether totals should be publicly announced.

**Editor's Report**  
**February 1, 2015**

**1. "Cost Per Issue" of the *Carousel Organ***

There has been no change from the last editor's report regarding cost of production of the *Carousel Organ* by 4-State Printing (see attached report comparing costs over the last several issues) Tammy continues to do a good job – her replacement artist has done well for us for the cover.

**2. Color**

Color will remain the same, depending on the demand of the issue. Color cover; color in the front pages to correspond with the color ads in the back and a color centerfold. Little additional color has been used because of articles that contain few color photos.

**3. Back issues**

As previously noted, back issues are available through Gary Stevenson.

**4. Advertising**

We have continued to have a few full-page adverts which boost ad income. Bill Nunn taking over the advertising should bring a boost to our ad pages.

**5. Articles**

As in the past I really would like to see more hand-organ articles as we seem to lean towards large instrument articles. If any of you, as officers/directors/chairs have any thoughts as to who might be able to contribute it will help the editor continue to make this a very interesting journal. Wally Venable is helping me draft some requests for articles. We have been very fortunate to have good material submitted.

**6. Rally Edition**

The most recent rally edition contained 16 pages. A couple of the rallies provided minimal number of photos – if the people pictures are not submitted then they are not printed. Most rally attendees were included at least once.

**7. Last thoughts**

I think the journal has continued to provide a variety of articles for technician, historian and general reading. I am now starting to work on issue #68. That means we have been producing a quality journal for 17 years. We occasionally will reprint an article but for the most part the articles are new and fresh. Again, I urge anyone who has anything to say to put it into writing for our journal.

**Rally Chair's Report**  
March, 2016  
Suzanne Hendricks

During the 2015 season we had nine rallies scheduled including the Worldwide Circus Summit at the Big E, West Springfield, MA, July 14 – 19, 2015. The rally schedule for 2015 was as follows:

Apr. 25-26 Dutch Village, Holland, MI Hosts: Bob and Cathy Cantine  
May 23-25 Lake Winnepesaukah Amusement Park, Rossville, GA Hosts: Ted Guillaum  
June 13-14 Museum of Carousel Art and History, Sandusky, OH Hosts: Bob and Marcia Ebert  
July 14-19 Worldwide Circus Summit, West Springfield, MA Host: Bob Yorburg  
July 25-26 German Fest, Milwaukee, WI Hosts: Marc and Debe Dannecker  
August 1-2 DeBence Museum, Franklin, PA Host: Kent Zacherl  
August 29-30 Illinois Railway Museum, Union, IL Host: Dave Calendine  
September 19-20 Quassy Amusement Park, Middlebury, CT Host: Ron Gustafson  
November 6-7 SteamFest/RailFest, Meridian, MS Host: Jean Orcutt

The Illinois Railway Museum Rally was cancelled because the registrations were too low. We thus had a total of eight rallies attended by 380 people and generating a total of \$1532 in net proceeds. The rallies generating the highest revenue were Sandusky and Lake Winnie. Only one rally had a deficit, Meridian, MS, where there was low attendance. I will attach the COAA 2015 Rally Tally prepared by Marc Dannecker which summarizes in detail the attendance, organs displayed, income and expenses of each rally.

I would again like to thank all those who hosted the 2015 rallies. They made it possible for COAA members to participate in fulfilling our mission of providing "Happy Music" for an appreciative public. Having attended five of these rallies I can attest that they were enjoyed by all.

As we are already looking ahead to the 2016 season; we have six rallies scheduled including a rally in conjunction with the AMICA Convention in Princeton NJ. They are as follows:

Feb. 26-28 Winter Meeting and Rally with MBSI Southeast Chap., St. Cloud, FL Host: Bill Hall  
May 14-15 Ella Sharp Museum, Jackson, MI Host: Bob and Cathy Cantine  
May 25-28 Lake Winnepesaukah Amusement Park, Rossville, GA Host: Wally Venable  
June 18-19 Knoebels Amusement Park, Elysburg, PA Host: Mark Chester  
July 4-7 COAA Rally at AMICA Convention, Princeton, NJ Host: Glenn Thomas  
Nov. 5-6 Soule Steam/Rail Fest, Meridian, MS Hosts: Jean Olcutt and Greg Hatcher

We are fortunate to have the opportunity to work with both AMICA and MBSI in sponsoring rallies this year. I believe this is a win/win situation and I will continue to look for ways to cooperate with other mechanical music organizations in this way.

Respectfully submitted,

Sue Hendricks

**Rally Web Site Administrator's Report**

**March 15, 2016**

**Ted Guillaum, Administrator**

I have used a Weebly account to create our rally web sites since 2011 at a cost of \$47.89 per year. This allows us to post up to 10 web sites per year. So far we have never needed more than 10 web sites. The fee has not increased since 2011. The account is in my name using my email address and is billed automatically annually for which I am reimbursed through the Treasurer.

The first four rallies Ella Sharp, Lake Winnie, Knoebels, and Princeton, have been completed and are available on the COAA Events page. The Meridian site will be updated when the rally host submits the information to me in due time.

Rally hosts generally request that I build a web site for their rally although it is not required that I be the one to do this. In past years there have been some rare situations where the rally host prefers to build their own web site such as the Franklin, PA rally.

As the administrator of the account I have the ability to authorize individuals to have access to their web site if they prefer to make changes on their own which is helpful to me. This year Stefan Batist has been very helpful in adding design elements to the Lake Winnie and Princeton rally pages. He is very artistic and his help has been most appreciated.

I chose a Weebly account in 2011 because I discovered that it was a very user friendly method for building web sites requiring minimal computer skills that were within my limited ability. Weebly has made changes to their system over the years with an eye to improving their services like every computer system is famous for, which has actually complicated their system a bit but so far I have been able to keep up with most of their changes to produce a web site.

I'm sure there are many web site building options on the internet that I am not aware of but I have been satisfied with Weebly. My recommendation is to continue using Weebly as long as I am the administrator. Their price is very reasonable and their product is acceptable to me.

Respectfully submitted,

Ted Guillaum

**Vice President's Report**  
March 19, 2016

Hello All,

This has been a very exciting year for COAA in that we partnered with many organizations in an effort to spread the word about mechanical music and to drive membership. The partnerships include the Wadsworth Atheneum in Hartford Connecticut and over 80 affiliated groups through The Worldwide Circus Summit.

Indeed we added to the membership roster.

On a different note, we lost a number of key members due to internal discord.

Moving forward I would like to expand the educational components of COAA. This includes workshops and presentations for the public and our organization. Additionally, I would like to partner with other groups in order to increase attendance at rallies and to share resources at these events.

Details will follow.

Bob Yorburg, VP COAA
